Dear Ms. Erb:

The Department of State has received a request under the Freedom of Information Act (Title 5 USC Section 552) for certain Department records. Please be advised that this request is currently in litigation; a copy of the request letter is attached.

Pursuant to Executive Order 12600 and implementing regulations, 22 C.F.R. Part 171.13, we are notifying you that we may be required to release certain information provided by you that arguably contains confidential commercial information. The information in question is attached to this e-mail, with any proposed redactions marked with the corresponding disclosure exemption under the Freedom of Information Act. We are providing you the opportunity to review this information and notify us whether, in your view, any additional material falls within a disclosure exemption under the Freedom of Information Act, particularly subsection (b)(4).

Please note that the Freedom of Information Act requires segregation and release of any meaningful portions of a government record which are not protected by a Freedom of Information Act exemption or other legislation. If you consider any of the material exempt from disclosure, please submit copies of the pertinent pages with the information bracketed [rather than redacted] and briefly explain the reasons for your conclusion.

In any case, no release of any of the requested material will be made before 15 days from the date of this e-mail. If you have any questions, I can be reached at the number listed below.

Thank you,

Monica Tillery
